### Refuse & Water

- Conserve water and keep all plumbing in good repair so there are no running faucets or toilets. A water-saver showerhead is recommended. Do not put anything down toilets such as diaper liners, tampons and excessive amounts of paper. Water/sewer billings will be generated monthly from ABT.
- Please recycle all recyclables (newspaper, bottles, aluminum/tin cans, plastic containers, etc.) As recycling is collected in different ways in different communities, please check with us if you are unsure as to Polk County's requirements.
